

DRZEWA IGLASTE W POLSCE

A close-up photograph of a brown, woody cone of an Araukaria chilijnska tree. The cone is composed of many overlapping, triangular scales that are a rich, warm brown color. The scales have a slightly rough, textured surface. The lighting is bright, creating strong highlights and shadows that emphasize the three-dimensional structure of the cone. The background is dark and out of focus, making the cone the central subject.

Araukaria chilijnska

A close-up photograph of a cedar cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the wood. A semi-transparent white box with rounded corners is centered over the middle of the cone, containing the text "Cedr atlaski" in a red, serif font.

Cedr atlaski

A close-up photograph of a Himalayan cedar cone, showing the intricate, overlapping scales of the woody structure. The scales are a warm, reddish-brown color with some darker, almost black, markings. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture and three-dimensional shape of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Cedr himalajski" in a dark red, serif font.

Cedr himalajski

A close-up photograph of a cedar cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the wood. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Cedr libański" in a dark red, serif font.

Cedr libański

A close-up photograph of a California cedar cone (Cedrus libani). The cone is composed of many overlapping, woody, brown scales. The scales have a rough, textured surface with some darker, almost black, spots. The lighting is bright, creating strong highlights and shadows that emphasize the three-dimensional structure of the cone. The background is blurred, showing more of the same material.

Cedrzyniec kalifornijski

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and rich brown color. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture of the scale's surface.

Choina kanadyjska

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Choina karolińska" in a dark red, serif font.

Choina karolińska

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, weathered texture. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the ridges and grooves of the scale.

Choina Martensa

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Choina różnolistna" in a dark red, serif font.

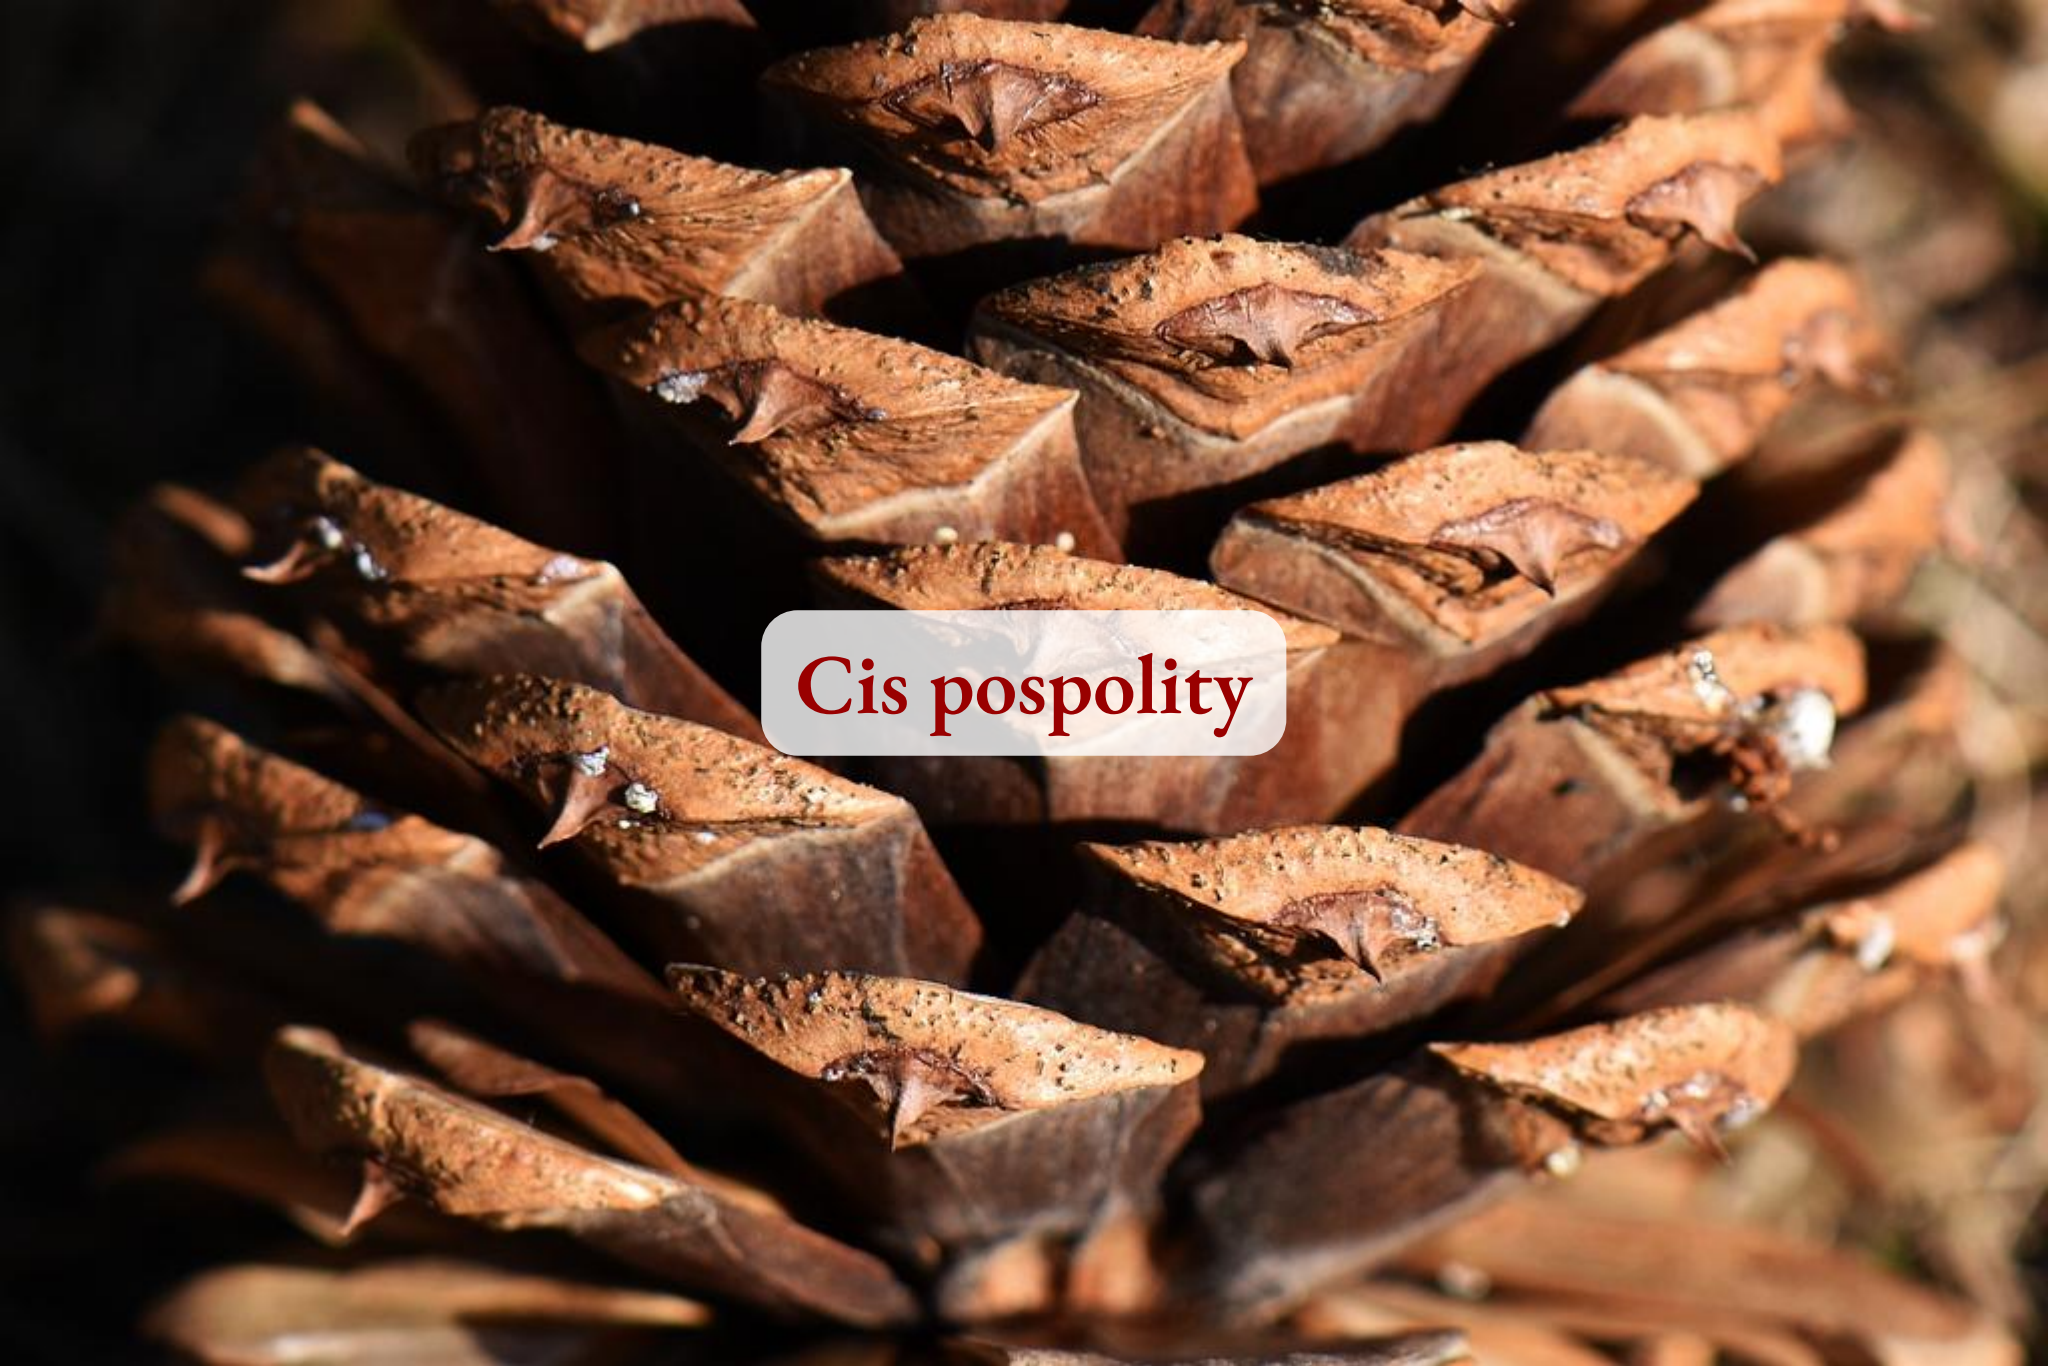

Choina różnolistna

Cis japoński

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Cis pospolity" in a red, serif font.

Cis pospolity

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Cis pośredni" in a red, serif font.

Cis pośredni

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Cyprys Bakera" in a bold, red, serif font.

Cyprys Bakera

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Cyprysik groszkowy

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Cyprysik Lawsona

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Cyprysik nutkajski" in a red, serif font.

Cyprysik nutkajski

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Cyprysyk tępołuskowy

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, weathered texture. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the ridges and grooves of the scale.

Cyprysowiec Leylanda

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Cypryśnik błotny

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white box with rounded corners is centered over the middle of the cone, containing the text "Daglezja sina" in a red, serif font.

Daglezja sina

A close-up photograph of a green pine cone, showing the intricate, overlapping scales of the cone. The scales are a warm, brownish-orange color with a rough, textured surface. The lighting is bright, highlighting the sharp edges and the layered structure of the cone. A semi-transparent white box with rounded corners is centered over the middle of the image, containing the text "Daglezja zielona" in a red, serif font.

Daglezja zielona

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Głowocis chiński" in a dark red, serif font.

Głowocis chiński

Głowocis japoński

Jałowiec chiński

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box is centered over the middle of the image, containing the text "Jałowiec pospolity" in a dark red, serif font.

Jałowiec pospolity

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rounded rectangle is centered over the middle of the cone, containing the text "Jałowiec skalny" in a dark red, serif font.

Jałowiec skalny

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Jałowiec sztywny" in a dark red, serif font.

Jałowiec sztywny

A close-up photograph of a Virginia pine cone, showing the intricate details of its brown, woody scales. The scales are arranged in a spiral pattern, and the lighting highlights their texture and color variations. A semi-transparent white rectangular box is centered over the middle of the cone, containing the text "Jałowiec wirginijski" in a dark red, serif font.

Jałowiec wirginijski

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, weathered texture. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the ridges and grooves of the scale.

Jodła Arnolda

A close-up photograph of a Spanish fir (Jodła hiszpańska) cone. The cone is composed of many overlapping, brown, woody scales that have a rough, textured appearance. The lighting is bright, highlighting the intricate details of the scales and creating deep shadows in the crevices. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Jodła hiszpańska" in a dark red, serif font.

Jodła hiszpańska

A close-up photograph of a California redwood cone, showing the intricate, overlapping scales of the woody structure. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture and three-dimensional shape of the cone. The background is blurred, focusing attention on the cone itself.

Jodła kalifornijska

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Jodła kaukaska" in a dark red, serif font.

Jodła kaukaska

A close-up photograph of a Korean pine cone, showing the intricate texture of its brown, woody scales. The scales are layered and pointed, with some showing small, dark, resinous spots. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Jodła koreańska" in a dark red, serif font.

Jodła koreańska

A close-up photograph of a pine cone, showing the detailed texture of the scales. The scales are a mix of brown and tan colors, with some showing signs of wear or small white spots. The lighting is bright, creating strong highlights and shadows that emphasize the three-dimensional structure of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text 'Jodła pospolita' in a dark red, serif font.

Jodła pospolita

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, weathered texture. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the ridges and grooves of the scale.

Jodła Veitcha

A close-up photograph of a pine cone, specifically Kuningamia chińska. The cone is composed of many overlapping, brown, woody scales. The scales have a rough, textured surface with some darker spots and small, light-colored resinous droplets. The lighting is bright, creating strong highlights and shadows that emphasize the three-dimensional structure of the cone. The background is blurred, showing more of the same material.

Kuningamia chińska

A close-up photograph of a large, brown, textured pine cone (mamutowiec olbrzymi) with a text overlay. The pine cone is composed of many overlapping, pointed scales that are a rich brown color with some lighter, tan-colored areas. The texture is rough and fibrous. The background is dark and out of focus, emphasizing the pine cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the pine cone, containing the text "Mamutowiec olbrzymi" in a bold, red, serif font.

Mamutowiec olbrzymi

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Metasekwoja chinska

A close-up photograph of a pine cone, showing the detailed texture of the scales. The scales are a mix of brown and tan colors, with some showing signs of wear or damage. A semi-transparent white rectangular box with rounded corners is centered over the middle of the pine cone, containing the text "Miłorząb dwuklapowy" in a dark red, serif font.

Miłorząb dwuklapowy

Modrzew europejski

Modrzew japoński

A close-up photograph of a Chinese fir cone, showing the intricate, overlapping scales of the cone. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture and three-dimensional shape of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Modrzewnik chiński" in a dark red, serif font.

Modrzewnik chiński

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Sosna Armanda" in a dark red, serif font.

Sosna Armanda

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Sosna Banksa" in a dark red, serif font.

Sosna Banksa

A close-up photograph of a black pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, tips. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Sosna czarna" in a dark red, serif font.

Sosna czarna

A close-up photograph of a red pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Sosna czerwona" in a dark red, serif font.

Sosna czerwona

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a mix of brown and tan colors, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Sosna drobnokwiatowa" in a dark red, serif font.

Sosna drobnokwiatowa

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white box with rounded corners is centered over the middle of the cone, containing the text "Sosna górska" in a dark red, serif font.

Sosna górska

Sosna himalajska

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white box with rounded corners is centered over the middle of the cone, containing the text "Sosna limba" in a red, serif font.

Sosna limba

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Sosna oścista" in a dark red, serif font.

Sosna oścista

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Sosna pospolita" in a dark red, serif font.

Sosna pospolita

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and rich brown color. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth and texture. The lighting highlights the fine details of the scale's surface.

Sosna rumelijska

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Sosna Schwerina

A close-up photograph of a brown pine cone, showing the texture of the scales. The image is slightly blurred, with a soft focus on the central part. A semi-transparent white rectangular box with rounded corners is centered over the middle of the pine cone, containing the text "Sosna wejmutka" in a dark red, serif font.

Sosna wejmutka

A close-up photograph of a yellow pine cone, showing the intricate details of its scales. The scales are a warm, golden-brown color with some darker, almost black, spots and textures. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the three-dimensional structure of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Sosna żółta" in a dark red, serif font.

Sosna żółta

Sośnica japońska

Szydlica japońska

A close-up photograph of a white pine cone, showing the intricate, overlapping scales of the cone. The scales are a warm, brownish-orange color with a rough, textured surface. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the three-dimensional structure of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Świerk biały" in a red, serif font.

Świerk biały

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Świerk Brewera" in a dark red, serif font.

Świerk Brewera

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color of the scale.

Świerk kaukaski

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Świerk kłujący" in a dark red, serif font.

Świerk kłujący

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Świerk pospolity" in a dark red, serif font.

Świerk pospolity

Świerk serbski

A close-up photograph of a pine cone scale, showing its intricate, overlapping structure and brown, textured surface. The scale is the central focus, with other scales visible in the background and foreground, creating a sense of depth. The lighting highlights the texture and color variations of the wood.

Świerk szydlasty

A close-up photograph of a California Torrey pine cone. The cone is composed of many overlapping, woody, brown scales that have a slightly textured, almost papery appearance. The scales are arranged in a spiral pattern, typical of conifer cones. The lighting is bright, highlighting the texture and color variations of the scales, which range from light tan to dark brown. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Torreja kalifornijska" in a dark red, serif font.

Torreja kalifornijska

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color with some darker, almost black, spots and lines. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the image, containing the text "Torreja orzechowa" in a dark red, serif font.

Torreja orzechowa

A close-up photograph of a Wollemia szlachetna cone, showing its characteristic brown, woody scales. The cone is positioned diagonally across the frame, with the text 'Wollemia szlachetna' overlaid in a white box with a red border. The background is dark and out of focus, emphasizing the texture and structure of the cone.

Wollemia szlachetna

A close-up photograph of a large, brown, textured pine cone scale. The scale is elongated and triangular, with a rough, papery surface. It is surrounded by other similar scales, creating a dense, layered appearance. The lighting is warm, highlighting the intricate details of the scale's texture.

Żywotnik olbrzymi

A close-up photograph of a pine cone, showing the intricate details of its scales. The scales are a warm, reddish-brown color, with some showing signs of wear and small white spots. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the cone. A semi-transparent white rectangular box is centered over the middle of the image, containing the text "Żywotnik wschodni" in a dark red, serif font.

Żywotnik wschodni

A close-up photograph of a Western Larch (Larix laricina) cone. The cone is composed of many overlapping, brown, woody scales that are pointed at the tips. The scales have a textured, slightly rough appearance. The background is dark and out of focus, emphasizing the cone. A semi-transparent white rectangular box with rounded corners is centered over the middle of the cone, containing the text "Żywotnik zachodni" in a red, serif font.

Żywotnik zachodni

Żywotnikowiec japoński
